

WELCOME TO  
GORYON-SAN

Goryon-san is a **“Hakata Kushiyaki”** and **“Kakurega”** concept Izakaya with current locations in Tokyo, Shibuya, and Roppongi, developed by BASICS Co. Ltd.

Goryon-san Sydney aims to faithfully recreate the feel of a traditional “Hakata Kushiyaki” where our “Kushiyaki” specialists (through the constant smoke rising from the grilling stands) grill up skewers with utmost care.

A “Kakurega” (meaning a place that you can come in and “hide out” ), a low-key izakaya that welcomes both sophisticated adults and trendy millennials alike, where Japanese draft beer is a definite must and a curated selection of sake, wine, and cocktails from a Japanese perspective.

We want to create a space where you can drop by with ease, at times with friends, partners or family.

A unique atmosphere. A true **“Kakurega”** that is **GORYON-SAN.**
